Ministerial Meeting

3rd GHSA Ministerial Meeting was conducted on 12-14 October 2016 in Rotterdam, the Netherlands.

The meeting was attended by approximately 40 GHSA member countries, advisers, NGO, private sector, and next-generation.

Side event

GHSA side event on the margins of the 69th WHA under the theme “The Role of GHSA in Supporting Countries’ Capacity to Implement IHR 2005”.

The objective of this Side Event is to increase knowledge and understanding on the role of GHSA in strengthening countries’ capacity and how to get support through GHSA, or join the forum.

Challenges

- Lack of mechanisms to keep track of all commitments of the GHSA member countries and ensure that all those commitments are met in time.
- Ensuring an intensive, effective, and interactive way of communication among GHSA member countries.
- Non-Government Stakeholders involvement throughout “cycle life” of GHSA, including role of the next gen into national policy.
- Funding mechanism to support GHSA activities.
- Improve and enhance GHSA events in all aspects of global health security agenda, not only beyond biological events.

Indonesia Future Commitments

- Continue leadership in GHSA as member of Troika and Steering Group as well as Co-Leaders Action Packages.
- Join the Alliance for Country Assessment to support the JEE missions and serve as the member of the advisory group of the Alliance.
- Host and take part in the development of the Health Security Financing Assessment Tool.
- Host a bi-regional meeting on mass gathering in collaboration with WHO SEARO and WHO EMRO in February 2017.
- Complete JEE in 2017 and contribute Indonesia's experts in JEE.
- Host 5th GHSA Ministerial Meeting in 2018.

Thank you
